

SIXTY-SIXTH DAY

(Continued)

(Thursday, May 4, 1939)

The House met at 10:00 o'clock a. m., and was called to order by Speaker Morse.

Prayer was offered by Rev. George W. Coltrin, Chaplain, as follows:

"Almighty God, humbly we come into Thy special presence at this time, feeling Thine infinite wisdom and Thy supremacy over human affairs. Wilt Thou clarify our minds as we enter these closing days of the session, and give us right understanding and courage to do those things that are hard and often confusing. Open the true paths to us today. For Jesus' sake. Amen."

HONORARY PAGE APPOINTED

The Speaker announced the appointment of James Hull as honorary page.

MESSAGE FROM THE GOVERNOR

The Speaker laid before the House, and had read, the following message from the Governor:

May 4, 1939.

To the Members of the House of Representatives of the Forty-sixth Legislature:

On January 18th, 1939, almost four months ago, I recommended a general transaction tax as a means of financing old age pensions and other social security services. I thought then and I think now this is a good plan.

But regardless of my opinion of the plan, committees of both the House and the Senate rejected same and the Senate has, after careful and serious consideration, passed Senate Joint Resolution No. 12. Your House Committee has modified and improved Senate Joint Resolution No. 12 and you now have Senate Joint Resolution No. 12 before you for consideration.

I am now informed that at this late date with only four more days left of the 120 day Regular Session of the Legislature, that it is being proposed that Senate Joint Resolution No. 12 be discarded or amended so that the plan which I recommended nearly four months ago be substituted. I think a move of this kind could have only one result if it should suc-

ceed and that would be to defeat the whole pension program.

It is unreasonable to believe that you could substitute this plan or any other new and different plan, regardless of how meritorious the plan might be, and secure for it the approval of both the House and the Senate in the short time remaining of this regular scheduled 120 day Session.

I believe that the real friends of Old Age Pensions should support Senate Joint Resolution No. 12 as already passed by the Senate and as recommended by your own House Committee, with such perfecting amendments as in your judgment are desirable, and not join in any movement to substitute any different plan at this late date and crucial moment.

I think a vote to completely change the tax program at this late hour by substituting or amending Senate Joint Resolution No. 12 to include the transaction tax plan which I recommended almost four months ago and which the Legislature has rejected, or any other altogether different plan is a vote to kill the whole old age pension and social security program.

Respectfully submitted,

W. LEE. O'DANIEL, Governor.

CONSIDERATION OF SENATE JOINT RESOLUTION NO. 12

The Speaker laid before the House, as pending business,

S. J. R. No. 12, Proposing an amendment to Article 3 of the Constitution of the State of Texas by adding thereto a Section to be known as Section 51-E, the purpose of which is to provide for the assessment and collection of a Social Security Tax.

The resolution having heretofore been read second time with committee amendment offered by Mr. Taylor and amendment by Mr. Hartzog to the committee amendment, pending.

Mr. Roach raised a point of order, on further consideration of the amendment by Mr. Hartzog, at this time, on the ground that an identical measure has been heretofore defeated by the House.

The Speaker overruled the point of order.

Mr. Roach raised a point of order, on further consideration of the amendment, by Mr. Hartzog, at this time,

on the ground that the amendment is not germane to the resolution.

The Speaker overruled the point of order.

Mr. Roach moved to table the amendment by Mr. Hartzog.

Question recurring on the motion to table, yeas and nays were demanded.

The motion to table prevailed by the following vote:

REASON FOR VOTE

I voted for marble machines to help put everything in this constitutional thing to help finally kill it. Some Members who would vote for the Senate Joint Resolution No. 12 will not vote for marble machines.

GALBREATH.

Mr. Mays offered the following amendment to the committee amendment:

Amend sub-committee, substitute to Senate Joint Resolution 12, by striking out everything below Section 2, paragraph 1, and inserting in lieu thereof, the following: "Journal printed copies of O'Daniel transaction tax hereby attached. O'Daniel, Petsch original sponsors."

MAYS,
HARRIS,
HOWINGTON.

A Joint Resolution

Proposing an amendment to Section 51b of Article III of the Constitution of the State of Texas, giving the Legislature power by General

Laws to provide for the payment of old age assistance subject to certain limitations, and fixing the qualifications of recipients of old age assistance and fixing the maximum amount of assistance which may be granted by the State, and providing old age assistance shall not be paid except to persons who are in need and otherwise qualified to receive such assistance; defining the word "need"; providing that old age assistance shall not be construed as a vested right in recipients of old age assistance; providing for authority to accept aid from the Government of the United States for old age assistance; levying and providing for the collection of a transaction tax of one and six tenths (1.6%) per cent on the amount of actual value passing by each transaction and providing for the payment of such tax, and providing that where the amount of value which passes by a transaction is fixed by law, the tax of one and six-tenths (1.6%) per cent of such value shall be collected on the last transaction only; defining the words "value", "person" and "transaction" as used in such amendment; and providing what transactions shall be exempt from said transaction tax; providing that production of natural resources of this State shall be subject to such transaction tax and fixing the date such tax shall be effective against such production, and determining the person liable for such tax; providing that if such transaction tax against production of natural resources fails or cannot be collected, a severance tax of one and six-tenths (1.6%) per cent of the value of such production be and is levied of such production in lieu of said transaction tax; providing for collection of such tax by the Comptroller of Public Accounts and payment thereof to the State Treasurer; providing that such tax funds shall be credited to the Texas Old Age Assistance Fund, and requiring the transfer of certain of such funds to the Confederate Soldiers Pension Fund, Destitute Children Assistance Fund and Teacher's Retirement Fund, and fixing the amount and time of such transfers; providing for the exclusive use which shall be made of such funds,

and providing that no other tax shall be levied for the payment on old age assistance, Confederate Soldiers pensions, destitute children assistance and teachers' retirement pensions; providing for payment of part of surplus tax into General Fund of the State; allocating such tax funds in case the same be inadequate to pay assistance as provided in this amendment; prohibiting counties, cities, and other political subdivisions from levying transaction tax; giving the Legislature power by General Laws to provide for administration of the provisions contained herein and for the collection of all taxes herein levied; proposing to amend the Constitution of the State of Texas by adding thereto Section 1-b to Article VIII, abolishing all State ad valorem taxes from and after January 1, 1941, except as to property situated in counties or political subdivisions receiving a remission of State taxes, and further providing that State revenue received from cigarette tax shall be allocated to Available School Fund, and specifying what use may be made thereof; providing for submission of amendment to qualified electors of the State and fixing the time of such election; providing for the necessary proclamation and making an appropriation to defray the expenses of proclamation, publication and election.

Be It Resolved by the Legislature of the State of Texas:

Section 1. That Section 51b of Article III of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 51b. The Legislature shall have the power by General Laws to provide for the payment of old age assistance, subject however to the following provisions and limitations:

(1) No one shall be eligible to receive old age assistance who is, (a) an habitual criminal or habitual drunkard; (b) who is an inmate of a State institution; (c) who has not been an actual resident of the State of Texas for at least five (5) years during the nine (9) years immediately preceding the application for old age assistance and continuously for one (1) year immediately preceding such application; (d) nor shall any person

be eligible for old age assistance unless such person be sixty-five (65) years of age or older.

(2) The amount of assistance granted by the State to be paid out of State funds shall never exceed Fifteen Dollars (\$15) per month to each person who is otherwise qualified to receive such assistance.

(3) Old age assistance shall never be paid except to persons who are in need and who are otherwise qualified to receive such assistance.

(4) The term "need" as used in subsection 3 above is hereby defined to mean: A person who does not have an income of Thirty Dollars (\$30) per month from the combined sources of his own labor, personal property and real property. And the amount of old age assistance granted by the State shall in each case be such an amount as when added to the income of the person from his own labor, from personal property and real property, together with any amount which may be granted by the Federal Government, will equal Thirty Dollars (\$30) per month, provided, that in no case shall the amount to be paid out of State funds exceed Fifteen Dollars (\$15) per month.

(5) The provisions hereof providing for old age assistance shall not be construed as a vested right in the recipient of old age assistance, and all assistance granted under the provisions hereof shall be deemed to be granted and shall be held subject to the provisions of any amendments to this Constitution and such amendatory or repealing Acts as may be hereafter enacted by the Legislature, and no recipient of old age assistance shall have any claim for compensation or otherwise by reason of such assistance being affected in any way by any such amendatory or repealing Acts.

(6) The Legislature shall have the authority to accept from the Government of the United States such financial aid for old age assistance as that government may offer not inconsistent with the limitations and provisions provided in this Amendment.

(7) There is hereby levied and shall be collected a tax of one and six-tenths (1.6%) per cent of the amount of the actual value passing from one person to another, under or by virtue of or in connection with

each and every transaction as hereinafter defined, taking place between two or more persons, and which tax shall be added to the value passing by the transaction and be collected at the time such transaction is consummated, provided that in all cases where the amount of the value which passes by the transaction is fixed by law, the tax of one and six-tenths (1.6%) per cent of such value shall be collected on the last sale transaction only. Said tax shall be known and referred to as "Transaction Tax."

(8) The word "value" wherever used in this Act shall mean:

(a) As applied to professional, business, personal, mechanical, industrial, commercial, engineering, scientific, publicity, or other services of whatsoever kind or nature, done or performed, "value" shall mean the amount charged, or contracted to be paid for such services, either in money and/or property, and as to any such property the value thereof shall be determined as provided in part (b) or subsection (8) of this Section.

(b) As applied to tangible or intangible property or any right, title, interest, right of enjoyment or right of possession therein, "value" shall mean the actual fair market value thereof in the locality where any transaction with respect thereto takes place, if such property or right or interest therein has a market value; provided, that if such property or right or interest has no market value in the locality where the transaction with respect thereto takes place, then the intrinsic worth of such property, or any right or interest therein shall be the value thereof; provided further, that if the parties to any transaction other than transactions involving services, shall have agreed upon the fair price or value of the property, or right or interest therein passing by such transaction, then such agreed price or value shall be the value of the property or right or interest therein so passing by such transaction, provided such agreed price or value shall represent the actual fair value of the property or right or interest therein, and such transaction is wholly bona fide, and the value passing by the transaction has not been so fixed and agreed upon for the purpose of evading the payment of any transaction tax under the provision of this Amendment.

(9) The word "person" as used herein shall mean any individual, firm, co-partnership, corporation, association, joint adventure, agent, trustee, receiver, or any other group or combination acting as a unit, and the plural as well as the singular number unless the intention to give it more limited meaning is clearly disclosed by the context.

(10) The word "transaction" as used herein shall mean and constitute any dealings of every kind whatsoever between two (2) or more persons as defined in subsection nine (9) of this section, wherein or whereby professional, business, personal, mechanical, industrial, commercial, engineering, scientific, publicity or other services of whatsoever kind or nature are done or performed, or wherein or whereby any right, title, interest, estate, right of enjoyment, or right of possession in or to any tangible or intangible property of any description passes, or is, or may be fixed, determined, changed, exchanged, effected, modified, increased, diminished or affected.

(11) The enumeration herein of transactions which are subject to the tax imposed herein shall not be deemed to exclude other taxable transactions not included in such enumeration.

(12) All transactions shall be subject to said tax except that the following transactions shall be exempt from all of the provisions hereof: (a) Salaried, wages, and professional fees paid or received by an individual; (b) the first sale transaction by the producer of all horticultural, agricultural, livestock, poultry and dairy products; (c) transactions whereby single passenger fares not exceeding ten (10) cents are collected by street railway companies, or by motor bus carriers from customers for local transportation; (d) street sales of newspapers; (e) transactions consisting of sales, subscriptions and donations made to bona fide unemployment relief associations, bona fide charitable organizations and the Salvation Army, operating exclusively for the benefit and welfare of the community where located, and each of which organizations dispenses to charity not less than eighty (80) per cent of its gross revenues; (f) bona fide church and religious organizations, bona fide unincorporated cemetery associations operated without

profit for the exclusive benefit of its members, bona fide labor organizations, and bona fide business leagues, chambers of commerce and boards of trade operating exclusively for the benefit of the community where located, and each of such organizations and associations shall not be required to pay any tax on transactions under the provisions hereof, provided such organization or association is not organized for profit, and no part of the income of such organization or association inures to the benefit of any individual; (g) the mere act of cashing, honoring or certifying a check or depositing money or funds in a bank authorized by law to transact a banking business, or depositing money or funds in escrow, when taken alone, or when merely incidental to a transaction as defined in subsection (10) of this section, shall not be subject to a transaction tax under the provisions hereof; (h) transactions between the State of Texas and foreign countries and nations; (i) transactions between the State of Texas and other States of the United States of America; (j) transactions based upon interest and other earnings paid upon bonds as issued by the United States of America, to the extent, and to the extent only that the State of Texas is prohibited by the Constitution of the United States of America from taxing such transactions; (k) transactions based upon pensions and other emoluments received from the United States of America, to the extent, and to the extent only that the State of Texas is prohibited by the Constitution of the United States of America from taxing such transactions; (l) transactions involving receipt of taxes, forfeitures, fines, costs, cost deposits and fees received by any officer or agent of the Government of the United States of America, to the extent, and to the extent only that the State of Texas is prohibited by the Constitution of the United States of America from taxing such transactions; (m) transactions based upon interstate commerce, to the extent, and to the extent only that the State of Texas is prohibited by the Constitution of the United States of America from taxing such transactions; (n) all transactions similar to the exempted transactions set forth in this Subsection as (i), (j), (k), (l) and (m) shall be exempt from said trans-

actions tax, to the extent, and to the extent only that the State of Texas is prohibited by the Constitution of the United States of America from taxing such transactions; (o) transactions where the taxpayer is involved in the transaction as an officer or agent collecting taxes, fees, forfeitures, fines and costs for the State of Texas or for any political subdivision of the State of Texas.

(13) The production of any natural resource of this State shall be subject to this transaction tax based on the value of such production, and from and after September 1, 1939, such tax shall be fully effective as of the date of production or severance of such natural resources the same as though a sale thereof had then been made, and which tax shall be paid by the person owning such natural resource at time of production or severance.

(14) If by reason of any provision of law, or for any cause, the transaction tax herein levied against the production of any person or industry engaged in developing the natural resources of this State, fails or such tax cannot be collected, then in that event a severance tax of one and six-tenths (1.6%) per cent of the value of such production shall be, and hereby is levied on all of such production in lieu of said transaction tax, and the Legislature shall provide for the enforcement and collection of such severance tax.

(15) The Comptroller of Public Accounts of this State shall collect all transaction taxes levied herein and pay the same to the State Treasurer of this State, and such State Treasurer shall open and maintain in his office four (4) special funds, as follows: (a) Confederate Soldiers Pension Fund; (b) Destitute Children's Assistance Fund; (c) Teachers Retirement Fund; and (d) Texas Old Age Assistance Fund. All of the proceeds of the transaction tax herein levied shall as received by the State Treasurer from the Comptroller of Public Accounts, be by the State Treasurer credited to the Texas Old Age Assistance Fund.

(16) Between January 1, 1940, and July 1, 1940, the State Treasurer shall transfer from the Texas Old Age Assistance Fund to the said Destitute Children's Assistance Fund the sum of One Million, Five Hundred Thousand (\$1,500,000.00) Dollars to

meet the obligation of this State as authorized by Section 51d of Article III of the Constitution of this State, and annually thereafter said State Treasurer shall during the first six (6) months of each year transfer from said Texas Old Age Assistance Fund to said Destitute Children's Assistance Fund such an amount, not to exceed One Million, Five Hundred Thousand (\$1,500,000.00) Dollars as may be necessary, together with any money or funds remaining in such Destitute Children's Assistance Fund to meet legislative appropriations authorized for such purposes. Such fund, or so much thereof as may be necessary shall be used exclusively for the payment of assistance to destitute children, and the State's portion of the cost of administering said funds.

(17) Between January 1, 1940, and July 1, 1940, the State Treasurer shall transfer from the Texas Old Age Assistance Fund, to the said Teachers Retirement Fund, an amount adequate to meet the obligations of this State which have accrued during the period beginning January 1, 1939, and ending January 1, 1940, as provided for in Section 48a of Article III of the Constitution of this State, and annually thereafter said State Treasurer shall during the first six (6) months of each year, transfer from said Texas Old Age Assistance Fund, to said Teachers Retirement Fund such an amount as may be necessary to meet the obligations of the State as provided for in said Section 48a of Article III of the Constitution of this State. Such fund, or so much thereof as may be necessary, shall be used exclusively for the payment of teachers retirement pensions, and the State's portion of the cost of administering such fund.

(18) Between January 1, 1941, and July 1, 1941, the State Treasurer shall transfer from the Texas Old Age Assistance Fund, to the Confederate Soldiers Pension Fund the sum of Two Million (\$2,000,000.00) Dollars, and annually thereafter the said State Treasurer shall during the first six (6) months of each year transfer from said Texas Old Age Assistance Fund to said Confederate Soldiers Pension Fund such sum as shall be adequate to pay Confederate Soldiers pensions as now or hereafter may be authorized by law, and such fund, or so much thereof as may be necessary shall be used exclusively for

the payment of Confederate Soldiers pensions.

(19) All of the proceeds of the transaction tax herein levied save and except such of said proceeds as shall be credited to Confederate Soldiers Pension Fund as provided in Subsection (18) of this Section, and to Destitute Children's Assistance Fund as provided in Subsection (16) of this Section, and to the Teachers Retirement Fund as provided in Subsection (17) of this Section, shall be used exclusively for the payment of old age assistance and the cost of collecting said tax and the administering of old age assistance; provided that at least thirty (30) days prior to the convening of such regular biennial Session of the Legislature, beginning with such Regular Biennial Session in the year of 1941, the State Treasurer of this State shall examine the condition of the Texas Old Age Assistance Fund, and when after meeting all obligations for the preceding biennium, it is found by him that a surplus of as much as twenty-five (25) per cent of the cost of meeting such obligations during the previous biennium has accumulated, then, in that event such surplus in excess of twenty-five (25) per cent shall be transferred by said State Treasurer to the credit of the General Fund of the State without any action by the Legislature directing such transfer.

(20) On and after January 1, 1940, Old Age Assistance, and Destitute Children's Assistance, and Teachers Retirement pensions and the State's portion of the administration thereof shall be paid exclusively from the revenue derived from the transaction taxes herein levied, and no appropriation shall thereafter be made out of any other State funds for any such purposes nor shall any other taxes be levied for the payment of Old Age Assistance, or for Destitute Children's Assistance, or for Teachers Retirement Pensions, or the State's portion of the administration thereof.

(21) On and after January 1, 1941, Confederate Soldiers pensions shall be paid exclusively from the revenue derived from the transaction taxes herein levied, and no appropriation shall thereafter be made out of any other State funds nor shall any other taxes be levied for the payment of Confederate Soldiers pensions.

(22) If after the State Treasurer has transferred and credited to the

Confederate Soldiers Pension Fund, the Destitute Children's Assistance Fund, and Teachers Retirement Fund the respective amounts required to be transferred and credited to such respective funds, it appears that the revenue remaining will not be adequate to pay in full all grants made to recipients of old age assistance, then, in that event the revenue remaining shall be paid pro rata to such recipients of old age assistance based on the amount granted to each recipient, and the amounts thereafter paid for old age assistance shall continue on this same basis until it shall appear that the annual revenue will warrant payment on the higher basis.

(23) The transaction tax herein levied is in addition to all other taxes that now are or may hereafter be levied by law.

(24) No county, city or other political subdivision of this State shall have any power or authority to assess or levy any transaction tax.

(25) The Legislature shall have the power by general laws to provide for the administration of all of the provisions contained in this amendment, and for the collection of all taxes herein levied."

Sec. 2. That Section 1-b be added to Article VIII of the Constitution of the State of Texas, the same to read as follows:

"Sec. 1-b. From and after January 1, 1941, the State shall neither levy nor assess any ad valorem tax on property for any purpose whatsoever. Provided however, from and after January 1, 1941, the State shall continue to levy and collect an ad valorem tax of thirty-five cents on the One Hundred Dollar valuation on all property situated in all counties or other political subdivisions which are now receiving a remission of all or a part of the State ad valorem taxes, and all such State ad valorem taxes so levied and collected by the State after January 1, 1941, shall be remitted to the respective counties or political subdivisions paying the same, until such time as the entire indebtedness of said political subdivision or subdivisions, which was incurred upon the faith or credit of such tax remission is fully paid. Upon such indebtedness being fully paid, the exemption from State ad valorem tax provided above shall become applicable within such counties and political subdi-

visions. Provided further, from and after January 1, 1940, all revenue derived by the State from tax on the sale or consumption of cigars, cigarettes, tobacco, or tobacco products, shall become and constitute a part of the Available School Fund of this State, and may be used for any purpose for which ad valorem taxes now credited to the Available School Fund of this State may be used. In case any other section of the Constitution is in conflict with the provisions of this amendment, in that event this amendment in all of its provisions shall control."

Sec. 3. Any Act or Acts which may be passed by the Legislature of this State in anticipation of the adoption of the foregoing amendments to the Constitution of this State shall not be invalid by reason of the anticipatory character of such Act or Acts.

Sec. 4. Said proposed Constitutional amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Saturday in June, 1939, at which election all voters favoring such proposed Amendment shall write or have printed on their ballots the words:

"For the amendment to the State Constitution providing a system of old age assistance, and levying a transaction tax for the payment of such old age assistance, and providing a source of payment for Confederate Soldiers Pensions, Destitute Children's Assistance and Teachers Retirement Pensions, and abolishing all State ad valorem taxes except in counties and political subdivisions now receiving remission of State taxes."

And all those opposed shall write or have printed on their ballots the words:

"Against the amendment to the State Constitution providing a system of old age assistance, and levying a transaction tax for the payment of such old age assistance, and providing a source of payment for Confederate Soldiers Pensions, Destitute Children's Assistance and Teachers Retirement Pensions, and abolishing all State ad valorem taxes except in counties and political subdivisions now receiving remission of State taxes."

Sec. 5. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said

election and have same published as required by the Constitution and laws of this State.

The sum of Ten Thousand (\$10,000.00) Dollars or so much thereof as may be necessary is hereby appropriated out of any funds in the Treasury of this State not otherwise appropriated to pay the expenses of such publication and election.

REASONS FOR VOTE

I voted "nay," on the Mays amendment, the transaction tax, because the sales tax amendment has been so amended that it does not seem to me that it will provide enough money to pay the old folks pensions and also because my constituents have asked me to support the Governor's wishes.

ROACH.

Governor O'Daniel just sent us a message asking us not to vote for the transaction tax. For that and other reasons, I am voting "yea" on the motion to table.

LOCK.

I voted for Mays amendment, because House Joint Resolution has been amended until it will not raise the money required.

HOWINGTON.

Mr. Gilmer offered the following amendment to the resolution:

Amend the sub-committee substitute for Senate Joint Resolution No. 12, by adding a new Section to be known as Section 13a, and to read as follows:

"Sec. 13a. In addition to the exemptions hereinabove provided there is further hereby exempted from the provisions of this amendment and from the computation of the taxes levied, assessed and payable under this amendment all dairy products, when such products are purchased from farmers, processors, distributors, and other persons engaged exclusively in the production, processing, distribution and sale of dairy products, the first sale by the producer of all horticultural, agricultural, livestock and poultry products."

GILMER,
HARDEMAN.

The amendment was adopted.

Mr. Johnson of Tarrant moved the previous question on the pending committee amendment and the resolution, and the motion was duly seconded.

Question recurring on the motion for the main question, it was lost.

Mr. Galbreath moved that Senate Joint Resolution No. 12 be tabled.

Question recurring on the motion to table, yeas and nays were demanded.

The motion to table was lost by the following vote:

Mr. Bell offered the following amendment to the committee amendment:

Amend committee substitute for Senate Joint Resolution No. 12, by adding thereto a new Section to be known as Section 6B:

"6B. There is hereby levied an occupation tax equal to not less than four per centum and not more than six per centum of all moneys placed in the pari-mutuel pools at horse race meets as hereinafter provided for, the Legislature, by law, to fix the amount of such tax within the limits herein defined, and the taxes levied under this Subsection hereof shall be used exclusively for the purpose of paying old age assistance and other social security obligations defined and provided for under the terms hereof, and said funds shall never be diverted to any other purpose.

A. It shall be unlawful to make a wager upon a horse race or any other race or contest save and except through pari-mutuel pools within the racing enclosure of a licensee as herein specifically provided, and in the event that the licensee has fully complied with all provisions of law applicable thereto, and only in such event. Pari-mutuel betting upon a horse race shall be unlawful except in such counties wherein the qualified voters of such counties have first specifically approved the same pursuant to and in accordance with the law to be enacted as required herein.

B. Upon adoption of this amendment, and as soon thereafter as is practical, the Legislature shall enact laws establishing the Texas Horse Racing Commission, prescribing the number of members thereof, defining their qualifications, and providing that the members thereof shall serve without compensation other than their necessary expense. The Legislature shall by law provide for horse race meetings and the operation of pari-mutuel pools in connection therewith

only under license of such commission, and shall prescribe the steps necessary to obtain such license; provided that no such license shall ever be granted until such permit has the approval of a majority of the qualified voters in the county wherein such track is located. The Legislature shall by law provide for the manner and form of applications and the holding of elections to determine the will of the majority of the qualified voters of such county with reference to such pari-mutuel pools. The Legislature shall by law prescribe such rules as it may deem necessary and proper for the supervision of such meets and conducting such pools; it shall provide for the forfeiture of licenses, for the manner in which races may be held, for the manner in which pari-mutuel pools may be handled; it shall fix such additional fees and taxes as may be necessary for the maintenance of said commission, its employees and the performance of its duties, provided that no funds shall ever be appropriated to maintain said commission except by fees or taxes collected directly from the operators of such race track operators, pari-mutuel operators, the owners of horses run upon said tracks or the trainers, jockeys or other employees actually engaged at such tracks. The Legislature shall pass such laws as to it may appear proper for the management and control of such races and the operation of such pools, and shall vest such power in said commission as is reasonably necessary for the promulgation and enforcement of said rules, regulations and laws pertaining to the maintenance and operation of said meets and pools.

C. It shall be unlawful to operate any other character of pool or lottery in connection with any race, meet or other contest within this State, and the provisions of this amendment shall apply only to horse races and pari-mutuel pools operated under the terms hereof and subsequent laws enacted in accordance herewith."

Mr. Bradbury moved to reconsider the vote by which the amendment by Mr. Bell was lost, and to table the motion to reconsider.

The motion to table prevailed.

REASONS FOR VOTE

The Legislature before I was a Member having seen fit to permit the people to pass their judgment by vote on local option on the liquor question, I can see no reason to deny them the same right to pass their judgment on horse racing, the whole matter being for decision by the electorate.

HOLLAND.

Voted against the Bell amendment for I am not in favor of forcing the voters to vote for a number of amendments in one vote.

HOWINGTON.

Mr. Kern offered the following amendment to the committee amendment:

Amend Senate Joint Resolution No. 12, page 7, Section 9, line 6, by plac-

ing a period after the word "Fund" and striking out the remainder of the Section.

Amend committee substitute to Senate Joint Resolution No. 12, by striking out all of Section 9.

Mr. Talbert moved the previous question, on the pending amendments, and Senate Joint Resolution No. 12, and the motion was duly seconded.

HOUSE BILL NO. 994 ON SECOND READING

The Speaker laid before the House, on its second reading, and passage to engrossment,

H. B. No. 994, A bill to be entitled "An Act validating and confirming all procedure in the organization and establishing of certain school district, validating all acts and procedure of school boards and/or County Commissioners' Courts in such districts; making such acts cumulative of all laws and parts of laws not in conflict herewith, and declaring an emergency."

The bill was read second time.

Mr. Oliver offered the following amendment to the bill:

Amend House Bill No. 994, by striking out all below the enacting clause, and inserting in lieu thereof, the following:

"Section 1. That from and after the effective date of this Act, in all school districts located in counties having a population according to the last Federal Census of not less than 28,620 and not more than 28,650; and in all counties having a population not less than 12,460 and not more than 12,480, according to the last Federal Census, and heretofore laid out and established or attempted to be established by the proper officers of any county or counties, and where an election has been held and notice of such election given and the order declaring the result of such election and the petition for such election have been attempted and such consolidation has been perfected by school boards of such counties, by county school boards and/or by any commissioners' court having authority to act thereunder, and where any of the procedural matter necessary to proper and legal organization of such school

districts have been irregular, or through inadvertance of any official assuming to act in such organization some material matters have been omitted, in all such cases all acts of the board or boards of trustees in such districts ordering an election or elections, declaring the result of such elections and levying taxes therefor and performing other duties thereunder, are hereby in all things validated, confirmed and given a full legal effect, irrespective of any technical irregularity that might have occurred in any matter necessary to a proper and legal organization of such district, and said district organization is hereby validated, and every act and thing necessary to be done by the board of trustees of such districts or by other officials purporting to act for such districts, as fully and completely as if each and every procedural matter had been followed in strict accordance with the law; and all acts of the county board of school trustees in any and all counties in rearranging, changing, subdividing, consolidating or increasing or decreasing the area thereof in any school district of any kind, or in creating new districts out of parts of two or more districts, or by consolidating two or more districts, or by consolidating two or more county line independent school districts, or by consolidating two or more common school districts and organizing an independent school district on any county line, are hereby in all things validated; provided that this Act shall not apply to any district which may have been established and since such establishment or organization suit has been filed in any court of competent jurisdiction in this State questioning the authority and right to so consolidate, it being the purpose of this provision to permit such school districts now in litigation to adjust the questions and legality of such organization in the courts, and this Act is materially not to apply to any such districts.

Sec. 2. This Act shall be deemed cumulative of all other laws now in effect with reference to organization, and shall be deemed only as an added provision and remedy, and shall not be construed as repealing laws not in conflict herewith.

Sec. 3. The fact that many school districts in counties embraced within this Act have organized and consolidated, and the fact that some pro-

cedural matter was irregular, and the fact that the bona fide intentions of all concerned in such creation and organization of such districts have been fulfilled, and that said districts would, but for some technical error in procedure, be fully organized and enjoy correct legal status, and the fact that such irregularities, if any, should be corrected and validated, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."

OLIVER,
WESTBROOK.

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 994 was then passed to engrossment.
